MEMORANDUM FOR: Director of Central Intelligence

1. WALL STREET JOURNAL's Robert Keatley and Henry Gemmill request a no-attribution briefing on and discussion of conditions inside North Vietnam.
2. Keatley, whom we briefed on China in 1966, has just returned to duty here from a two-year assignment in the Far East. He says he has considerable data gleaned from Japanese and others familiar with circumstances in North Vietnam, and would especially appreciate our evaluation of it.

3. May we oblige?

Joseph C. Goodwin
Assistant to the Director
